

Dove Valley Ranch Golf Club

Golf Programs

Thank you for expressing an interest in the golf programs at Dove Valley Ranch. Dove Valley Ranch (DVR) is a high end daily-fee golf course that offers discounted golf programs for the avid golfer. The Annual Pass provides access to the golf course with a variable fee component, which allows control of how much is spent on golf each year. We also offer an all-inclusive Carefree Membership. Being Carefree means there are no fees anytime of they year for golf, which allows you to play unlimited golf for one affordable price.

To compliment the golf experience we have a casual, full service restaurant, Copper Bar & Lounge. The Copper Bar is open 7 days a week from sun-up to dusk. Stop in and let our staff members provide you top notch customer service as you enjoy our numerous food offerings and handcrafted cocktails before and after your round of golf.

In the following pages, we have outlined the golf programs at Dove Valley Ranch Golf Club. Whether you are a year-round or seasonal resident, working or retired, we have a golf program that will fit your needs.

Thank you and please enjoy our facility!

Punch Card Use (Available at Select Properties)

- When using a punch card at ANY golf course other than the course where it was purchased, an additional \$10 fee will apply.
- The golf shop attendant will validate a punch and will write their initials and the course where the punch was used.
- Any guest(s) that are playing with a punch card holder will pay the Thompson Golf Group Member Guest Rate.

Booking Policies

- As a Member, you may book tee times directly at the club where you wish to play. Tee times may be made up to 7 days in advance. Below are phone numbers and key contacts at each golf club.
- When booking a tee time at a club (other than your home club) please be prepared to provide the names of all your players and whether they are a Member or guest. This information allows the club to validate the Members and ensure that guest rates are input correctly.
- Any cancellations must be made at least 24 hours in advance to avoid cancellation fees. Cancellation fees are applicable for short shows as well. Please keep the golf club informed of changes to your initial reservation.
- Please be prepared to show a form of identification at the golf club. We will have a master Member roster at each club for validation purposes.
- While most policies are similar at each club, please make sure you are aware and adhere to the following policies at each club: Dress Code Policy, Golf Cart Use Policy, Pace of Play Policy & Expectations, and Cancellation Policy.

Code of Conduct

- All players must check in to the golf shop before they play or practice. We want to know if you are here in case of emergencies, etc.
- We strive to adhere to a 4:10 pace of play. With that said, we also understand that our golf course can be difficult for some players. If you encounter a group or an individual who you feel is playing slowly, do not engage them directly. We ask that you call the golf shop and we will handle the group / individual with the pace problem. To help ensure that you are not playing slow, please play the appropriate tees and play ready golf.
- If groups in front of you are playing at a reasonable pace (4:00 to 4:20) the golf shop will not ask them to “hurry-up”. We will not chase them around the golf course. You should expect to play in +/- 4:15 hours in busy season and +/- 4:00 in shoulder and summer seasons. Of course, slow groups will be asked to speed up or the golf shop will facilitate you playing through the slow group when it makes sense to do so. Please do not skip or jump to a different hole to play around the slow group.
- Please check with the pro shop before heading back to hole #1 if you wish to replay the front 9.
- Back 9 play has become popular and we will continue to promote early morning back 9 play. As a general rule of thumb, we sell the first hour of the morning off the back 9. We communicate to the back 9 players that faster groups may be coming behind them. They are instructed to step aside and let you play through, but also have the right to play in 2:10. If they do not let you play through, please call the golf shop.
- Dove Valley is a family friendly environment and we do not allow offensive language, gestures or behavior. Please be respectful of others and use good judgement in all public areas.
- While we do not encourage music, we do ask that if you choose to listen to music that the volume be kept at a very low level and should only be heard while in your own golf cart. At no time will we allow music to be played around the clubhouse or on the patio.
- We have a relaxed, casual dress code at DVR. There are a few items; however that are not allowed: metal spikes, spaghetti straps, gym shorts, frayed or holey clothing, t-shirts with graphics or anything deemed to be in poor taste by the golf shop personnel.
- When you make a tee time, you should expect to play at that time. We will strive to keep everyone on time, however, situations do arise that cause us to “get behind” on the first tee. Please do not go to the first tee until guest service “releases” you. Conversely, we will try to get you out early when and if possible. Again, guest service will release you to the tee as soon as possible.
- If you have a serious concern or conflict with any staff member at Dove Valley, please direct your concerns to our golf professionals or the general manager.
- Bringing alcohol to our facility is strictly prohibited and against the law. We do understand that we may not always have a selection that you desire, please let us know and we will do our best to stock items that suit your needs.
- The above list is not meant to be all encompassing. We reserve the right to deny you any services or tee times should your conduct towards other guests, other members or staff become improper, distasteful or dangerous.

Cancellation / Short Show Policy

- Cancellations of tee times must be made within 24 hours in advance of your existing tee time to avoid cancellation fees of 50% of the applicable greens fee.
- If you have a tee time for 4 players and you show up with 2 or 3 players, you will be charged a “short show” fee of 50% of the applicable rate for the player(s) that did not show or cancel within the 24 hour period. It is your responsibility to keep the golf shop informed of the number of players in your group.
- Cancellation fees and short show fees are the responsibility of the person that made the tee time.
- Cancellations of tee times or short shows must be made over the phone with the golf shop during golf shop hours. You may not cancel a tee time through voicemail or email.
- In the event of inclement weather, the cancellation fee may be waived, but we would appreciate a call as a courtesy to others wishing to book tee times. Everyone has the ability to understand the weather forecast. Inclement weather is rain, lightning or high winds. Inclement weather is NOT cold weather, hot weather or breezy weather. Again, it is your responsibility to understand the forecast and manage your tee time accordingly.

Golf Cart Use Agreement

- Golf carts are a large contributor to turf wear and tear. The maximum number of golf carts allowed per group is as follows: 2 carts for a foursome, 2 carts for a threesome, 1 cart for a twosome. (additional golf carts may be purchased in the golf shop.)
- Golf carts are not allowed in the desert. What is the desert? If it is not grass or concrete, it is desert. Golf carts are not all terrain vehicles, drive them accordingly.
- Golf cars are not allowed off the cart paths on par threes.
- Golf carts are not allowed on or near tee boxes.
- Golf carts must be kept a minimum of 30 yards from all greens.
- Avoid all standing water in the fairway and rough when conditions are wet (early morning or following rain).
- Golf carts for range use will be based on tee sheet demand for the day. We will do our best to have a golf cart available to take for range use but it is not guaranteed.
- Golf car damage is the responsibility of the driver of the golf cart. This is no different than renting a car from an agency, if you damage it, you will be responsible for the cost to repair.
- If you are a single or twosome you should expect to be paired up with other golfers.
- A single or twosome may be paired up with you to complete a foursome.
- If the golf shop has determined that we are “cart path only” there are no exceptions. The golf shop does not prefer to be on cart paths; however, we must protect the golf course surfaces.
- Handicap flags do not give you the right to ignore other golf cart rules. Handicap flags are an accommodation that we are happy to provide. A handicap flag does not give you unlimited rights with your golf car. With a handicap flag, golf cars are permitted to be within 10 feet of the green.
- Violations of the golf cart use agreement may result in the loss of playing privileges.
